KDOT to close K-33 bridge for repairs

On Monday, July 19, the Kansas Department of Transportation (KDOT) plans to close the K-33 bridge over I-35. K-33 traffic will be detoured north or south on I-35 to the Sunflower Road and Tennessee Road interchanges, respectively. The ramps from K-33 to I-35 will remain open.

KDOT will make full and partial repairs to the bridge deck, also placing a pavement waterproofing membrane and an asphalt overlay. The bridge should be reopened by the end of September, weather permitting. Check KDOT's updated traveler information website, www.Kandrive.org, for more road condition and construction details. Persons with questions about this and other KDOT projects may call Area Engineer Donna Schmit at (785) 433-6107 or Public Affairs Manager Priscilla Petersen at (620) 902-6433.
